## BICYCLE SAFETY

### May is National Bike Month: Bicycle Safety Tips

First established in 1956 and promoted by the League of American Bicyclists, this May is **National Bike Month**. National Bike Month aims to showcase the numerous benefits of bicycling while encouraging individuals who have never done it before to give it a try. Despite the many benefits and advantages that cycling can offer, it is also critical to remember that it is accompanied by some unique risks and hazards.

## MOTORCYCLE SAFETY

### Motorcycle Safety Awareness Month

Each year, the **National Highway Traffic Safety Administration** recognizes Motorcycle Safety Awareness Month. With summer about to begin and temperatures steadily rising, the NHTSA is preparing for more motorists, including motorcyclists, to flood the American roadways. With research showing that motorcyclists are significantly overrepresented in traffic fatalities and traffic crashes each year, the NHTSA's campaign provides a sobering reminder to motor vehicle drivers and motorcyclists alike about how important it is to practice safe riding and driving practices.

## CONSTRUCTION AND WORK SAFETY

### Ways to Guard Against Dump Truck Tip-Overs

Dump trucks are easy to find on construction sites; they are used to transport various materials and go by several different names, including dumping trucks, dumper trailers and dump lorries. While they serve many useful purposes, they are also accompanied by major dangers, like the chance of a tip over and causing significant injuries or death.

## MEMORIAL DAY SAFETY

### Safety Tips for Celebrating This Memorial Day

Memorial Day, which commemorates those who served our country by making the ultimate sacrifice to protect our freedom, falls on Monday, May 30th. As Memorial Day also often marks the unofficial start to the summer season, millions of Americans will be barbecuing, swimming, and hitting the road to visit family and friends. After taking a comprehensive look at years of data, the **National Safety Council** is estimating that as many as 415 individuals may die on the roads this Memorial Day weekend.
