

## Tired of Being Ghosted by Referral Counsel When Requesting Updates on Your Personal Injury or Third-Party Referrals?

Partner with Galfand Berger and experience the difference of true collaboration. We value strong, communicative relationships with our referral counsel and ensure you're never left in the dark.

Galfand Berger helps people hurt because of automobile accidents, defective products, unsafe equipment and machinery, work place and construction accidents, workers' compensation claims, medical malpractice and any other serious personal injuries or accidents.

Clients may come to your office with a potential personal injury (PI) case. If you're a lawyer, and this is outside your practice area, it makes sense to refer that case to an experienced PI firm, like Galfand Berger!

- We have almost 80 years of experience handling complex personal injury cases
- We fund the cases so you don't have to
- Referring the case to us, helps avoid malpractice risks
- Our experience will help maximize recoveries for your client.

### Learn More About Attorney Referrals

## Nearly 80 Years. Tens of Thousands of Clients Served.

### Millions Paid in Referral Fees.

Galfand Berger LLP has a remarkable record of handling complex personal injury cases. We have been doing it for almost 80 years! During our firm's history, we have served tens of thousands of clients, recovered hundreds of millions of dollars, and paid millions in referral fees.

We know that some firms might be reluctant to handle cases in unfamiliar practice areas, like personal injury. Instead, they're happy to refer them. Our firm's size, history, and past results enable us to maximize the value of each case and to fund the litigation expenses of large cases.

Here are just some examples of recent referral fees paid:

Type of Case	Referral Fee Paid
Scalp degloving injury resulting from a defective industrial machine – York County, PA	\$555,555
